8. Future Plans of Actions for Next Academic Year

The vision of our institute is to enlighten empower and enable the learners and ensure that the students are at the focal point and are properly facilitated for quality improvement. To promote excellence and innovation in teaching and learning by providing staff and students with access to relevant academic development programs. To organize seminars symposia workshops with the help of various funding agencies To organize training programs/workshops for local students/ public/ teachers at different levels. To offer more elective options job oriented courses for the students. To upgrade computer lab well equipped with latest open source development software. In the next academic year, we will run remedial classes for weak or slow learners. Ensure participation of the institute in NIRF and ARIIA. To improve the existing central library into a smart and digitalized e.library for staff and students. We will also provide subscriptions to prestigious e-journals to faculty members in the library. Strong Internet connectivity is an essential prerequisite for online classes, therefore, ensuring internet wifi connectivity in all the departments.
